PRESENT THE SENIOR YEARBOOK OF THE LAN-
 CASTER HIGH SCHOOL, LANCASTER, NEW YORK.

1947

FOREWORD

In this, our 1947 Cayugan, we have tried to depict a typical school day. We wish to impress upon the minds of our readers that besides our formal school subjects, we have extra-curricular activities which provide both instruction, and amusement. This combination of work and entertainment in school will enable us to become better American citizens and to make us more appreciative of a well-rounded life.

CLASS HISTORY

The class of 1947 really organized in our second year, when we put on the traditional Sophomore Hop in the gymnasium. It was during this year that we chose blue and gold as our class colors. The class flower is the yellow Rose. In our Junior year, the King and Queen for the Junior Prom were Richard Curtis and Edwine Hornung. The theme was a Rainbow Room with balloons for decorations. We had one other dance to raise funds for our class and have reached the goal that the entire class has been striving for during the past eleven years. The main events in our Senior year were the Senior Ball and Senior Play. About eighteen Seniors took part in the play entitled EVERY FAMILY HAS ONE. We also had a Sadie Hawkins Dance, which featured the famous Wyoming Woodchoppers with lots of Square Dancing. The Seniors went all out to sell stationery to raise funds for the class. Our motto which is "Launched but not anchored" was selected this year. Under the capable management of Miss Cowan, our class helped to develop the Senior High Student Council. We sincerely hope that the council will remain active in future years. It is with regret that we draw to a close our high school days. Many of us will go to college and some out into the business world, and we all will be broadening our education because it is impossible to live in the world of today without improving ourselves.

APPRECIATION

Eager to produce the best yearbook in the history of our school, many more students than originally expected joined the staff and cooperated enthusiastically. To all those students, teachers, patrons, and outsiders who have contributed time and effort, we of the staff, express our extreme gratitude.

SCHOOL HELPERS

The office secretaries attend to the vast amount of clerical work that is necessary in running our school smoothly and efficiently. Secretarial staff: Dorothy Krieke, Junior High Office; Pauline Kieffer, Senior High Office; Sadie King, Main Office.

These are the people, who keep Lancaster High School clean, neat, and attractive for us: Janitorial and Maintenance Staff: U. Rozler, R. Rude, T. Miles, E. Steinman, J. Seibel.

Upon our cafeteria staff falls the responsibility of preparing daily nutritious lunches which keep us happy and well fed. Cafeteria Staff: Standing: M. Monnin; R. Rude; F. Putnam, Cafeteria Manager; B. Hirsch; G. Beckman. Seated: R. Becker; R. Newbury; G. Berg; K. Seeger. Absent: T. Schiffla; J. Sorentz.

CHEERLEADERS

Our fine cheerleading group has grown over a period of years. Cheerleaders are chosen when they are in the ninth grade. They spend that year practicing cheers and trying to make up new cheers. When they are in tenth grade, they become "Jay Vee" cheerleaders and lead the cheers for the Jay Vee games. This year, the Jay Vee cheerleaders wore red sweaters and black skirts lined with red and white checked taffeta, while the Varsity cheerleaders wore the white sweaters and black skirts lined with red, black and white checked taffeta. During their Junior and Senior years, the girls are Varsity cheerleaders and cheer for the Varsity games. For the '46 football season the Varsity cheerleaders had two boys with the squad. They wore black and white slacks and the traditional white sweater with a red block L. By combining clever verse and acrobats our cheerleaders have invented some outstanding cheers such as the Indian cheer, Ahh! Boom, Julius Caesar, The Java Cheer and the Lancaster Cheer. Their part in the games adds much color to our sport life.

This year's team was handicap-
ped by the graduation last June
of some veteran members. How-
ever, we had as reliable players,
Mark Townsend and Howard Sur-
brick, who were undergraduates
on the '45-'46 squad. Mr. Dem-
brow, after spending two years
in the Navy, returned to school
to coach the team.

The 1946 football team, built around seven lettermen from last year's undefeated squad, ended a successful season with 3 victories, 1 tie, and 4 defeats. Climaxing the season was a 20 to 18 upset handed to undefeated Sloan when the Maroon, underdogs by 18 points, monopolized on two fumbles, to win in the closing eight minutes of the game.

This is the first year that we have had an interscholastic bowling team. Our team was composed of seven members. (Standing, C. Kothen, R. Nedescu, Coach W. Simmons, N. Davies, R. Bohlen, Kneeling, D. Keicher, E. Petrella). We played five other teams, bowling once on our home alleys, and once on theirs.

Golf, a bygone at LHS since 1941, was resumed this year. Under the able coaching of Mr. Simmons, the Lancaster golfers won 7 matches and lost 4. They achieved third place in the sectionals played at the Lancaster Country Club.

RIFLE TEAM

The 1946 Cayuga Rifle team maintained its position as the top junior rifle team in Western New York by winning ten out of twelve matches. In May, Lancaster competed in a field day at Amherst with four other schools and literally walked away with all the honors. The team event was won by a margin of 140 points. Individually our riflemen won 13 out of 20 medals.

BLOCK L CLUB

Lancaster's Block L Club is larger than it has been in previous years. The coveted Block L Letter may be earned by any boy in our school who builds up a given number of points in a chosen sport. The social activities of the Block L are the Football Banquet in the fall and the combined Block L and Old English L picnic in the spring.

OLD ENGLISH L CLUB

The Old English L Club was formed for the purpose of giving girls an opportunity of earning a school letter. It takes the place of inter-school competitions. They earn their L's by a system of points, which are gained through sports. The girls feature an annual baked goods sale and party. There are also many other interesting activities, such as dances and skating. The school season is usually ended with a joint Block L - English L party.

BASKETBALL

One of the girls many extra curricular activities is basketball. The girls of the gym classes organize into teams which play after school on Thursday. Girls' basketball rules must be followed and each team must have its own captain. If two teams are tied at the end of the season, they have play offs. This year there are fourteen teams in all. Points for the Old English L are earned by each girl, who participates in basketball.

GIRLS' BOWLING

Among the sports for girls at Lancaster High School, bowling has proven to be one of the favorites, with ninety-six girls participating under Miss Gillette's excellent leadership. Although there were many high scores, Shirley Osborne topped the list with an average of 187.

VOLLEYBALL

Each fall the girls of the Senior High organize volleyball teams to compete against each other. The class of '49 had the winning team with a mixed junior and senior team coming in second place.

SENIOR HIGH STUDENT COUNCIL

Our class in its freshman year was fortunate in being a member of Lancaster's first Junior High Student Council. Last year the Senior High Discussion Club furnished an assembly program outlining Student Council and its advantages to the student. Later in the spring the first Senior High Student Council was started

JUNIOR HIGH STUDENT COUNCIL

In the Junior High the Student Council settles current student problems. Last year the council worked out a system by which two students from each homeroom act as hosts and hostesses in the cafeteria. Conduct in the dining room has improved. The Junior High Student Patrol is keeping order in the halls between classes.

DISCUSSION CLUB

The Discussion Club, which is made up of students who are interested in American history, meets under the expert guidance of Miss Cowan once a week after school. Topics of current interest to every high school student are discussed.

OFFICE STAFF AND LIBRARY ASSISTANTS

Among the services our student office girls can provide is to connect the Lancaster High School Exchange with the main exchange in the town. They can connect various room telephones in the building with one another. The "P.B.X." (Private Branch Exchange) gives information to visitors about our school. The other girls included in this picture are those who assist Miss Davis with some of the library work.
